

MERRY CHRISTMAS AND A HAPPY NEW YEAR

Roads Consultation

Following our drop in events at the Town Hall in September, a number of priorities were highlighted from the comments received. Southwold Town Council would therefore now like your feedback on the three matters below;

1. Starting at Mights Bridge would you like to see a 20mph limit on the main roads in Southwold?

Yes No

2. Would you agree to the retention of the resident exemption to time limits on parking bays in Victoria Street and its possible extension to other streets if it is requested by a resident?
For an explanation of 'resident exemption' please refer to East Suffolk Council Website; [Permits, exemptions and dispensations » East Suffolk Council](#)
(At the moment, seven resident exemptions have been issued across Southwold. Bartholomew Green – 1, East Street – 1, High Street – 2, Victoria Street – 3.)

Yes No

3. Would you agree for three raised pedestrian priority crossings to be installed in the High Street as per the SCC plan below, plus an extra one across the entrance to East Street outside the Town Hall?

Yes No

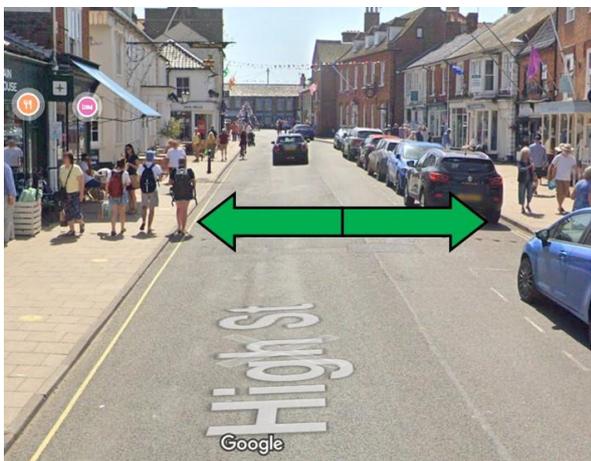

Overview of approximate build out locations in Southwold High Street

Build out 1

The approximate location of the first build out and courteous crossing could go between Cornish Bakery and 47 High Street.

The approximate location of the second build out could go between Mea and the United Reformed Church

Build out 3

The approximate location of the third crossing could be between the Crown Hotel and 75 High Street.
We would lose some parking here to help with visibility.
