

COLC Report – For 10th April 2025 Parish Council.

The Community Pantry continues to open on a Tuesday afternoon and all day on a Friday with a steady flow of customers during each shift. We have regular customers who pop in each week and there are also new ones. Our team of drivers continue to collect each evening and during the week from Coop, Tesco, Cornish Bakery, KFC, and Bookers.

We have been lucky to have some more much needed volunteers join us to help us cover the pantry shifts which has been very much welcomed.

The pantry will be supporting the memorial service for David Woods on 11th April making the refreshments alongside the Lighthouse Ladies who have been asked to make the cakes.

The last of the warm space get togethers is taking place on 25th April in conjunction with the Village Hall Management Committee and we are currently thinking about how we can continue to provide breakfast and a cuppa during the summer months for a couple of hours as the community have enjoyed the winter offering.
